Dear Mr. Niedergang:

Enclosed is a copy of the application submitted for Shipper's Car Line of East Saint Louis and the permit issued for same. We have only one copy of the plans, however, and do not have facilities to reproduce plan sheets. You may view these at this office or the Collinsville office upon twenty-four hours' written request.

A Supplemental Permit #800515 was issued to Sheffield/Nuclear Engineering Company to accept special waste. This permit was issued April 10, 1980 and expires April 10, 1981.

We hope this information will be helpful to you. If you have any questions, please do not hesitate to contact this office.

Very truly yours,
